

## HOW TO JOIN THE “FIRST DO NO HARM” EVENT

1. Send an email to [stoptransingkids@gmail.com](mailto:stoptransingkids@gmail.com). Let us know why you are interested, your locality (general is fine) and whether you are a lead or part of a group.
2. Read and sign the PLEDGE. Snap a photo and email it to [stoptransingkids@gmail.com](mailto:stoptransingkids@gmail.com).
3. Order your T-Shirt. Groups should order together to save on shipping costs.  
To order shirts, go to [www.customink.com/g/pgh0-00cn-3jld](http://www.customink.com/g/pgh0-00cn-3jld)  
**Order must be placed by 9/12/22 to ensure timely delivery.**
4. Make your travel plans. There are many hotels near the Anaheim Convention Center. We were not able to block rooms because of the convention.
5. Order your banners and signs. We will post print ready files that you can just send to your vendor. If you choose to create your own banners and signs, please follow the directives about messaging. **It is vital that we show UNITY and focus on ending medicalization of children and young adults.**
6. Help build the army. Reach out to supporters and get them to Anaheim. This is the moment.

**Updates and specifics will be sent via email.**
